

## STEP-BY-STEP GUIDE

# APPLYING FOR THE PSG GRANT WITH ADDLLY AI

## 01. Contact Addlly AI for a Quotation

Reach out to us to learn more about how our solutions can help you achieve your marketing goals using the PSG Digital Marketing Grant. We'll help you identify the best package to suit your needs. Drop us an email at [hello@addlly.ai](mailto:hello@addlly.ai)

## 02. Submit Your Application Online

Log in to the Business Grant Portal (BGP) and go to the "My Grants" tab. Submit your application with the required details, including our quotation, your company's information, and your marketing goals. Ensure that your Corp Pass and ACRA details are ready for a smooth submission.

## 03. Accept the Letter of Offer (LOF)

Once your application is approved, you'll receive a Letter of Offer (LOF). Log in to BGP, proceed to "My Grants" → "Letters And Documents" → and accept the LOF. Only then can you proceed with implementing Addlly AI's marketing solutions.

## 04. Make Payment and Provide Vendor Invoice

Once you accept the LOF, Addlly AI will provide you with an invoice based on the approved quotation. Pay the invoice in full to proceed with implementation. A receipt will be provided after the payment.

## 05. Start Creating with Addlly AI

You can now begin using Addlly AI's solutions to create high-quality, on-brand content that drives marketing success. Our team will support you through every step of the integration process to ensure you achieve your business objectives.

## 06. Submit Receipt for PSG Claim

After using our platform for at least a month, log in to BGP, go to "My Grants," and use the Claims tab to upload the receipt and report for reimbursement. Once approved, the PSG grant will credit the reimbursement directly to your company's bank account.

Our team is here to assist you every step of the way, ensuring a smooth application process and a seamless integration of AI into your marketing strategy.
